2-HOUR or 4-HOUR

Before or after normal business hours, pool is only open to party members

I have read the party rental rules:

Party rental requests must be made by an Arundel Swim Club member. Party attendees do not have to be members. All fees are based on an assumption of 25 guests. These are the minimum fees that will be charged for a given rental. Members do not count towards 25 limit but based prices still apply. Additional guests will be charged at \$5/person and parties over 25 people will require a 2nd guard for the party at \$15/hr and must be identified in advance of the date of your party. Guests will be checked in at the gate for head count purposes. Parties require deposits and reservations. All Bash Packages include exclusive use of the pavilion.
